Dear Business Owner:

I am writing on behalf of the Rotary Club of Truckee, an incredible organization that aims to improve our community, promote education, and help those less fortunate.

Each year, Truckee Rotary works to raise money that is granted back to local non-profit organizations, with a focus on youth and senior programs. The majority of these funds is raised at our annual gala, the Cadillac Ball.

This year, the 43rd annual Cadillac Ball will be held on November 13th at the Truckee Community Recreation Center.

The Cadillac Ball's main fundraising method is not by ticket sales to the event but instead through its live raffle and silent auction. Any donation for this event would be greatly appreciated and recognition of donors is publicized as part of the event.

One hundred percent of the proceeds from Cadillac Ball directly fund groups and projects that benefit our community. With your support, we can continue to help fill the financial gaps that many of these worthy organizations face and pursuit of these projects require.

Our community donations and efforts are made possible solely through our fundraising efforts. We are a community built, community-based non-profit, focused on helping the Truckee community thrive. Your donation would do so much to help us accomplish our fundraising goals.

Please let me know if you are interested in making a donation and helping this great cause. If this correspondence should be addressed to a different recipient, I would so appreciate that contact information. Thank you for your time in consideration of this request.

In Service,

The Rotary Club of Truckee
